Dear LWVS Members,

At the beginning of a new year it is hard to resist contemplating a fresh start. As we reflect on the tumultuous political climate of 2017, we would like the League to be a catalyst in diffusing the polarization in our political environment. As such, it is particularly important to reaffirm the League’s role in building consensus as we study important community issues at the Local level, and to take every opportunity to participate in this process at the State and National levels where appropriate. Our consensus-building approach, we believe, is a very effective way to listen and learn with open minds to all points of view and to verify the facts and establish the common ground that leads to our positions on key issues. We would like to encourage civil discourse in order to maintain our community as an oasis of political tolerance.

Since the beginning of our membership year on July 1st, through the end of 2017, we have done the following, among other things:

- Held our annual Membership Coffee in September for new and longstanding members of the League where a panel of Village representatives updated us on key Village topics including proposed changes to the Village Tree Law, the status of the Village-owned Freightway Garage site, and efforts to address Downtown revitalization.
- Hosted our Fall Food For Thought Luncheon where we heard from Susanne Pari, an Iranian journalist and author, who provided an illuminating overview of life and politics in Iran.
- Advanced our core mission, by helping the County League with its Vote411 voters guide and by providing key information to the voters of Scarsdale regarding our recent elections.
- Conducted informational sessions and consensus meetings, resulting in LWVS statements, on both the Village and school elections.
- Participated in Westchester County’s Naturalization Court, informing new citizens about the voting process.

In 2018, our League will continue its work, including:

- Leading information sessions and consensus meetings on the School Bond Referendum, the School Board Nominating Committee election, the League’s Local, County and National programs, the Scarsdale School Budget, and the Village budget.
- Sponsoring a select Scarsdale high school student to participate in the State League’s Students Inside Albany program.
- Hosting our annual Winter Cocktail Party Fundraiser, our Spring Community Book Discussion and our Annual Meeting and Spring Luncheon.

Please visit our website at lwvs.org to keep up with everything the Scarsdale League has done in 2017 and will do in 2018.

Warm wishes to you and your families for the holiday season and Happy New Year!

Linda Doucette-Ashman and Janice Starr
UPCOMING GENERAL MEMBERSHIP AND CONSENSUS MEETINGS

MARK YOUR CALENDARS! COME, LISTEN, LEARN AND PARTICIPATE!

We have 5 General Membership and Consensus meetings from the beginning of January through the end of March. Each of our General Information meetings is open to the public and everyone is invited!

At the conclusion of each of our General Information sessions, we will hold our Consensus meeting for League members only. At that time, those who have not yet paid annual dues or who are not yet League members can either renew their membership or become new members. During our consensus portion of the meeting, we will discuss information learned at the General Information session, express our individual thoughts, and listen to the thoughts and opinions of our fellow League members. Upon conclusion of our discussion, League members present will identify the issues upon which there is a consensus of opinion. Those points will be pulled together and crafted into a statement which will be submitted to our League Board for final review, edit and submission to the appropriate entity, as well as to the local media. More details on each event listed below can be found in this Bulletin and any updated information will be available on our League website, www.lwvs.org. Stay connected!

Students Inside Albany Conference

Application Deadline: February 2, 2018

For the seventh consecutive year, the LWVS will select one or two high school students to send to the annual Students Inside Albany conference, to be held May 20-23, 2018. All Sophomore, Junior and Senior students who attend Scarsdale High School or who reside in the school district are eligible to apply.

Students Inside Albany is an intensive four-day conference designed to immerse students in the process by which public policy is proposed, revised and enacted in New York State and to educate them as to how they can influence and affect this process. Scarsdale students who attended this conference in the past were unanimous in their enthusiasm about the program, which allowed them to interact with students from all over the state, learn about their state government and meet state legislators.

The cost of the conference, including hotel and meals, will be co-sponsored by the League of Women Voters New York State Education Foundation, Inc. and our Scarsdale League.

Applications are available on the League of Women Voters of Scarsdale’s website (LWVS.org) and are due by February 2, 2018.

For more information, including photos from last year’s conference, see the League of Women Voters, New York State at http://www.lwvny.org/ and go to the Youth Programs tab.

Last year’s Scarsdale attendees are happy to answer questions from interested students. Contact Katie Bowen or Daniel Karp at SIA@lwvs.org.

LEAGUE BOOK GROUP DISCUSSIONS CONTINUE

About two dozen League members met at the home of League Board member Dana Matsushita on November 28 for a lively discussion of Linda Hirshman's SISTERS IN LAW: How Sandra Day O'Connor and Ruth Bader Ginsburg Went to the Supreme Court and Changed the World (Harper 2015).

Led by two well-prepared moderators, League Board member Diane Baylor and former League President Deb Morel, participants divided into two groups for a more comfortable and intimate exchange over a brown bag lunch, supplemented by an array of desserts.

Stay tuned for a future announcement of our Spring 2019 Book Group selection and discussion date.
Village Election System

On Monday, December 18, 2017, we held our General Information and Member Consensus meeting on the CNC Village Election system. Diane Baylor, our LWVS Village Election portfolio chairperson, conducted the meeting. Dr. James Pullman, Chair of the Procedure Committee and Mr. Robert Schechter, Vice Chair of the Procedure Committee constituted our panel. They provided an overview of the Procedure Committee's activities during the 2017 year. These included: an overview of the function of the Procedure Committee, assessment of the efforts for candidate recruitment for the CNC, fundraising and a report on the November elections procedures and processes. You can find the League statement on the CNC Village Election system at our website www.lwvs.org shortly.

The LWVS Nominating Committee will meet soon to nominate the 2018 - 2019 slate of LWVS officers and directors.

League of Women Voters of Westchester County

The LWVV will be hosting a fundraiser on Sunday, March 4th, 1:00 p.m. at the home of Janice Starr. The event, marking the 100th anniversary of women’s suffrage in New York, will focus on the "suffragents." Details to follow.
2018 BUDGET STATEMENT

The League of Women Voters of Westchester wishes to comment on the proposed 2018 County Budget. We thank Budget Director Larry Soule for having met with us both informally and then at a public meeting the League held at the Scarsdale Public Library on November 17th, when he provided needed information and insights.

The 2018 proposed budget, like the 2017 proposed budget, is not balanced. The Westchester Airport privatization deal has not been finalized and the "wished for" thirty million dollars of revenue from this deal should not have been plugged into the budget.

This is the third year in a row that the League of Women Voters has called for a tax increase. The County could remain well under the two percent cap and still provide extra monies that would close the budget imbalance and allow many aspects of the proposed budget to remain in place.

The people of Westchester are not being well served by this proposed budget.

By following a "no tax increase" strategy, our County's investment in people and hard assets has been drastically cut, hence mortgaging our future:

• Deferred maintenance increases future repair or replacement costs.

• Lack of good faith negotiations with unions have resulted in the risk of future large settlements (CSEA settlement is estimated at $40M, Corrections at $5M).

• If the proposed contract for management of the County airport is not approved, reserves would need to be used to cover the shortfall (most likely $15M will be needed for 2017 and perhaps $30M in 2018). This could put our credit rating in danger, making debt to address the above problems more expensive.

By following a "no tax increase" strategy, the County's level of service to its citizens has and will continue to erode. Example:

• The Planning, Public Works, Parks and Recreation and Public Safety departments need to be fully staffed to achieve needed flood mitigation, road and bridge repairs and safety of our residents

The next administration should not be shy about proposing a tax increase. The County provides "added value" for all who reside and work in Westchester. That story needs to be told.
Your League Needs You!

If you have any interest or just have questions, please contact Janice Starr at **president@lwvs.org.**

C’mon, get involved!
