MESSAGE FROM THE CO-PRESIDENTS

Dear LWVS Members,

As we look forward to Spring, and the return of the light that gives us renewed energy, we also look forward to a virtual bursting of League activity. We call our members to action to take part in the many opportunities available in order to make a difference in our community. We also reflect on the recent achievements of our League. We recognize that we are one League of many - over 700 community leagues in all 50 states - dedicated to encouraging informed and active participation in government. Since 1920, the League of Women Voters has been an activist, grassroots organization whose leaders believed that voters should play a critical role in democracy. We employ fair, balanced and thoughtful processes that have been honed over decades of community member activities in order to keep democracy strong and vital for voters. And we look forward to many imminent 100th anniversaries - in 1919, the LWVNYS was formed, in 1920 the LWVUS was formed and the 19th Amendment to the US Constitution was passed giving women the right to vote, and in 1921, our own LWVS was formed. We have a lot to celebrate!

So first, let’s review some highlights of our League year so far! In January we held our Annual Winter Fundraiser, graciously hosted by Diane and Marc Greenwald. The event was well-attended and we raised over $3,500. We were delighted to be joined by Westchester County Executive George Latimer, NYS Assemblywoman Amy Paulin, Scarsdale Mayor Dan Hochvert, Scarsdale Trustees Carl Finger, Deb Pekarek, Seth Ross, Marc Samwick and Jane Veron, Scarsdale School Board members Nina Cannon, Chris Morin and Arthur Rublin, Westchester Family Court Judge Arlene Katz, and Village Justice Honorable Cindy Dunne. We could not continue our work without your generous support!

Locally, our League’s SBNC election and CNC election portfolios committees each held productive information and consensus meetings. After more than 6 months of study, our League conducted an information session and consensus meeting and issued a statement on Scarsdale’s Proposed School Bond. The LWVS statements on all of these topics are available on our website. We also reviewed and discussed our local league program for 2018-19 which will be published in our April/May bulletin and will be proposed for approval at our Annual Meeting on May 18th.

On January 25th, our League once again assisted local officials at the Westchester County Naturalization Court by welcoming new citizens and providing them with important voter information. This program is coordinated by the League of Women Voters of Westchester.

Looking forward, the League will hold a Candidate Forum on Tuesday, March 6th at 7:30 pm, featuring candidates for Scarsdale Village Trustee in this year’s contested election. This forum will be open to the public. The LWVS promotes political responsibility through informed and active participation of citizens in government and encourages all Scarsdale Residents to join us in our core mission. And do not forget to vote in the Village Election for Village trustees on March 20th at the Scarsdale Library!

Our school budget and village budget portfolio committees are monitoring each of these respective budget planning processes. We will evaluate the school budget on Monday, March 12th, at 10 am, when members of the School Board and district administration will discuss the proposed budget and answer questions for the League and audience members. We will evaluate the proposed Village budget on Monday, March 26th, at 10:30 am, at which time we will hear from the Village Manager, Deputy Village Manager, Village Treasurer, Mayor, and members of the Village Board. Immediately following each meeting, we will hold our consensus meetings for League members.

Please join us at our next Community Book Discussion on April 17th, at 10 am, when we discuss Evicted: Poverty and Property in the American City, by Matthew Desmond, and at our Annual Meeting and Spring Luncheon on May 18th, at 10:45 am, featuring Andrew Weber, Former Assistant Secretary of Defense for Nuclear, Chemical, and Biological Defense Programs under President Barack Obama.
We are pleased to report that our League will again send two students to our state capital to participate in the Students Inside Albany program.

In early May, please look out for our annual membership mailing to renew/join for July 1, 2018 to June 30, 2019!

Please visit the websites of the League of Women Voters of Westchester (lwvw.org), the League of Women Voters of New York State (lwvnys.org), and the League of Women Voters of the United States (lwv.org) to see what is happening at the county, state and national levels, and most importantly, visit our website at lwvs.org to get updated information for local league initiatives.

LEAGUE OF WOMEN VOTERS CELEBRATES ITS 100TH ANNIVERSARIES!

- **November 19, 1919** – The New York State League of Women Voters was founded.

- **February 14, 1920** – The United States National League of Women Voters was founded.

- **August 26, 1920** – The 19th Amendment to the United States Constitution was passed giving women the right to vote.

- **1921** – The Scarsdale League of Women Voters was founded.

From National League of Women Voters President, Chris Carson –

“As we approach our 100th Anniversary, we are reminded that government of the people, by the people and for the people, cannot function without active involvement of the people. Like our democracy, the League has been through prosperous times and lean times and the League remains a force for change today because our members and supporters have never lost sight of the importance of the voice of the people.”

Please stay tuned to our website, bulletins, and eblasts for future League Anniversary events and interesting information about the history of our own Scarsdale League of Women Voters over the next year. We have formed a “100 Year Anniversary Committee” to handle these activities. If you would like to join, please contact Janice and Linda at president@lwvs.org.

- The current budget draft is $156,899,407; with a budget-to-budget increase of 2.09%.

  - There are also contractual and salary increases, Special Education increases and a slight Transportation increase.
  - The current budget draft includes a $1.025 million one-time increase to support Tax Certiorari settlements.
  - There is also a recommendation to move $600,000 out of Healthcare Reserves due to an over-budget amount anticipated for the 2017-18 school year.

Reviews
“Desmond, a Harvard sociologist, cites plenty of statistics but it’s his ethnographic gift that lends the work such force. He’s one of a rare academic breed: a poverty expert who engages with the poor. His portraits are vivid and unsettling. Crystal, who takes in Arleen, had parents on crack and got passed around to two dozen foster homes. She ends up homeless and prostituting herself, but never misses church. Pam has ‘a midwestern twang and a face cut from a high school yearbook photo.’ But she is so desperate for housing that she tolerates a racist boyfriend who makes her biracial daughters chant ‘White power!’ It’s not easy to show desperate people using drugs or selling sex and still convey their courage and dignity. Evicted pulls it off.” - NY Review of Books 3/10/16

“What if the dominant discourse on poverty is just wrong? What if the problem isn’t that poor people have bad morals – that they’re lazy and impulsive and irresponsible and have no family values – or that they lack the skills and smarts to fit in with our shiny 21st-century economy? What if the problem is that poverty is profitable? These are the questions at the heart of Evicted.” - The Guardian 4/7/16

Mr. Weber’s thirty years of US government service included five-and-a-half years as President Obama's Assistant Secretary of Defense for Nuclear, Chemical and Biological Defense Programs. He was a driving force behind Nunn-Lugar Cooperative Threat Reduction efforts to remove weapons-grade uranium from Kazakhstan and Georgia and nuclear-capable MiG-29 aircraft from Moldova, to reduce biological weapons threats, and to destroy Libyan and Syrian chemical weapons stockpiles. In addition, he coordinated US leadership of the international Ebola response for the Department of State.

Mr. Weber is an independent consultant and a Strategic Advisor for IP3 International and Ginkgo BioWorks. He serves on the Board of the Arms Control Association and the James Martin Center for Non-proliferation Studies International Advisory Council. He taught a course on Force and Diplomacy at the Georgetown University Graduate School of Foreign Service for seven years, and was a Senior Fellow at the Harvard Kennedy School's Belfer Center for Science and International Affairs. LWVS Lends A Hand On The Road To Citizenship
By Ronny Hersch and Amy Cooper

Among its many activities, each year, the League of Women Voters assists local officials at the Westchester County Naturalization Court by welcoming new citizens, and providing them with important voter information. This program is coordinated by the League of Women Voters of Westchester, who, through various local Westchester Leagues, welcomes thousands of new citizens each year. On January 25th, two members of the Scarsdale League attended the Naturalization Hearing in White Plains, and it was a day to be remembered for them, and even more so for the 120 soon-to-be new citizens. These immigrants filled the courtroom to capacity along with their families and friends who accompanied them to witness their final step to U.S. citizenship. The new citizens varied in age from young adults to senior citizens, all with diverse backgrounds. They represented immigrants from Latin America, Mexico, China, Japan, Denmark, the Middle East, Caribbean and many other countries.

After all the participants were called up individually to hand in their green cards, the heart-warming ceremony began. Honorable David Everett, Supreme Court Judge welcomed the soon-to-be citizens to his court and the country. County Clerk, Timothy Idoni then administered the Oath of Allegiance and led the Pledge of Allegiance to the flag, each recited formally by the new citizens. The formalities and oaths touched many in the courtroom. Judge Everett reminded the new citizens that democracy is not a spectator sport and they should become involved in their communities. He recommended they participate in Boy Scouts, Girl Scouts and other community organizations. He reminded the new citizens that he also was the son of immigrants, and it is not about where you come from but what you make of yourself. Judge Everett stressed the importance of voting in elections and encouraged the new citizens to utilize their new right to vote! He provided a lot of insight and inspiration to the group, which was heartfelt and inspired tears of joy for some.

After the citizens were called up individually to receive their Naturalization Certificate, officially proclaiming their citizenship of the United States, they were able to proceed outside the courtroom where The County Board of Elections was on hand to assist with voter registration. The U.S. Passport office also was there to help the new citizens obtain their passports with photo services, applications and advisors to assist with the application process. Each citizen appeared to cherish both their new right to vote and their ability to obtain a U.S. passport.

From speaking with the new citizens, the process to become a United States citizen is complex and takes many months to complete. In addition to the many requirements for citizenship, each potential citizen needs to complete a background check by the FBI, submit photos and fingerprinting, pass two exams, and be interviewed by Immigration Services. It was clear from a day at Naturalization Court that those who were sworn in felt that it was all worth it.

The Naturalization Hearings, open to the public, occur twice a month in White Plains where the County swears in about 125 new citizens at a time. For more information about the work of the League of Women Voters of Scarsdale, please visit its website, http://www.lwvs.org.
LWVS Winter Fundraiser

On Saturday, January 27th, the LWVS held its annual Winter Fundraiser at the beautiful home of Diane and Marc Greenwald. It was wonderful to see everyone. We thank Diane and Mark for opening their home for our event, and we also extend our appreciation to our elected officials who attended.
League of Women Voters of Westchester:
Spring Youth Outreach

Annual Workshop

The League of Women Voters of Westchester organizes and sponsors, in conjunction with the American Association of University Women and the White Plains YWCA, its 7th annual workshop for junior and senior high school girls. This all-day event, to be held on April 19th at the White Plains YWCA, is designed to provide young women in high school the opportunity to explore a career in public service. All high schools in Westchester were invited to send participants. The students will hear from female elected office holders, learn about women's political history and role play all aspects of running for elected office.

Students Inside Albany

The LWVW will be sending a student to attend Students Inside Albany, run by the League of Women Voters of New York State. The experience is offered to a student who lives in an area that would not have a local league that could be a sponsor. The selected high school junior, Samantha Faye, was recommended by the Saunders Trade and Technical High School administration. The LWVW is pleased to send a student from a Yonkers school that is a non-traditional school to the May 20-23 SIA program. Saunders Trade and Technical High School opened in 1909 as the first public trade school in New York State.
