MESSAGE FROM THE CO-PRESIDENTS

There is a word that appears prominently and repeatedly in our “League President” instructions: “BREATHE”. At first, we wondered why would we need that reminder throughout the instructions. Now we know why! Our League’s work seems to be in constant motion from one project to the next with others piling on top, just like the leaves falling everywhere outside. There is a lot happening in our world. However, we benefit from the guidance and support of our board and membership. We also remain focused on the 2 primary goals of our League:

(1) to promote political responsibility through informed and active participation of citizens in our community, and
(2) to act on selected governmental issues.

It is with these goals in mind that we provide opportunities for our members and the public at large to become informed and involved on issues that impact them. To that end, our League hosted its Annual Membership Coffee. We had Scarsdale Assistant Village Manager Ingrid Richards, Scarsdale Village Planner Liz Marrinan, Village Trustees Deb Pekarak and Jane Veron and Former Scarsdale Mayor Jon Mark present to our group on issues including proposed changes to the Village Tree Law, updates on proposed uses for the Village owned Freightway Garage site and ongoing efforts by the Village government to support Downtown Village Revitalization. Many questions were asked by our audience members and helpful responses provided. It was an incredibly informative morning. Also, we hosted our Annual Fall Food for Thought Luncheon. Our guest speaker, Susanne Pari, an Iranian journalist and author, provided an illuminating overview of life and politics inside of the country of Iran and answered many questions from our audience.

Our Voter Services team was busy in their final phase of work on the League of Women Voters Westchester’s Vote411 guides (mailed to each Scarsdale household with a registered voter) and voter education efforts for our membership. Upon completion of the State/County elections on November 7th, we quickly transitioned to our education and GOTV efforts for the Scarsdale Citizen Nominating Committee elections, held on November 15th. Our community will see some familiar and new faces holding these positions. We congratulate them on their victories and look forward to working with all of them during their terms. We hope that each of you do the same.

Now for highlights of our upcoming events (more details in this issue or on our website www.lwvs.org):

On **Tuesday, November 28th at 11:00 am** at a private residence, we will be hosting a community book discussion of Sisters in Law, by Linda Hirshman. Please visit our website to RSVP and get further details.

On **Monday, December 18th at 10:30am at Village Hall**, our League will hold an Information session and, immediately following, convene a member only Consensus meeting on the CNC Village Election system. Diane Baylor, our portfolio chair, will lead this discussion.

On **Monday, January 22, 2018 at 10:30am at Village Hall**, our League will hold an Information session and, immediately following, convene a member only Consensus meeting on the School Board Nominating Committee election.

We hope to see you at one of our upcoming events. Thank you to all who support our efforts. Stay warm, engaged and informed. We wish you a happy and safe holiday season!

Calendar Updates

1. The Village Budget Review Meeting has been changed from Monday, March 12, 2018 to Monday, March 26, 2018.
2. The School Budget Review Meeting will be on Tuesday, March 20, 2018, at 10am.

SBNC Candidates Sought

The School Board Nominating Committee (SBNC) is an elected group of 30 members who identify, propose and nominate qualified candidates to run for the Scarsdale Board of Education.

The 30 voting members represent each of the five elementary school neighborhoods. Each year, 10 new members are elected (two from each neighborhood) to serve a 3-year term on the SBNC, an additional one year term on the administrative committee and a final one year term on the joint committee. The SBNC urges all qualified residents to help maintain our excellent Scarsdale schools and serve our community by volunteering to run for the SBNC.

To become a candidate, residents should complete a biographical form and submit it with a candidate petition with signatures from 10 residents in their elementary school area by November 20, 2017 to SBNC Administrative Committee Chair Jeannine Palermo (jeannine_palermo.22@gmail.com) or Vice Chair Wendy Gendel (wendykgendel@gmail.com). These forms can be downloaded from www.scarsdalesbnc.com. The forms are also available at the Scarsdale Library and Village Hall.

The election of SBNC members will be held on Tuesday January 9, 2018 in the Scarsdale Middle School auditorium lobby from 7:00AM to 10:00AM and 2:00PM to 9:00PM.

SISTERS IN LAW
How Sandra Day O’Connor and Ruth Bader Ginsburg Went to the Supreme Court and Changed the World
By Linda Hirshman (Harpers, 2015)

TUESDAY, NOVEMBER 28
11:00 am – 1:00 pm
10 Richbell Road
RSVP: dmatsushi@gmail.com

Please bring a brown bag lunch. Beverages & dessert will be served.

Excerpts from Reviews:
For anyone interested in the court, women’s history or both, the story of Sandra Day O’Connor and Ruth Bader Ginsburg, their separate routes to the Supreme Court and what they accomplished during the more than 12 years they spent together is irresistible. (NY TIMES 9/20/15)

The stories Hirshman tells, though not novel, are masterfully strung together to create a compelling narrative of Ginsburg and O’Connor’s lives. And they are told in a manner extremely accessible for non-lawyers, describing background principles of the law in an easy-to-understand way. (Oxonian Review 10/26/15)

League of Women Voters of New York State Convention
by Janice Starr

On June 9, 2017, I had the honor of attending the League of Women Voters of New York State Convention, held in Liverpool, New York, a suburb of my own hometown of Syracuse. I attended with five other representatives from Westchester Leagues and spent three days learning vast amounts of information about how other Leagues work within their own communities and spent time sharing best practices with other league leaders. I was impressed with the level of dedication among all the League representatives and had pride when sharing my own experiences about our own robust League!

The first thing that we did once we arrived in Liverpool New York was to board a bus and embark on a tour of the women’s suffrage sites in Seneca Falls, honoring the 100th anniversary of suffrage in New York State. It was a treat to see an excellent performance of a woman playing Elizabeth Cady Stanton and to share a meal with her and many of the 100 or so convention participants at the historic Gould Hotel.

The convention, themed “Failure is Impossible”, was jam-packed with 2 days of caucuses, information sessions and workshops. I chose to attend sessions about The League’s Future, Civic Engagement and Education, and Turning New Members into Leaders, as well as listening to a speaker on the Suffrage Movement. Overall, I appreciated the strength our League has in our local community, given our local focus, and the breadth of issues we address in our local program compared to other Leagues. I did have the opportunity to learn about many programs other Leagues employ to engage members in various ways and to reach out to many segments of the community, with a special focus on engaging youth. Specifically, we are looking into ways to assist in civics education within our local schools and to hold additional events focusing on Hot Topics. We would love to get input on the issues that would be of interest to you! We hope to institute some of these in the coming months - look in our bulletins, on our website and in our eblasts for more information.
Annual Membership Coffee

Our Annual Membership Coffee was held on October 2nd. Friends and League members came together to learn about the League and Village Hot Topics! Our discussion was broken into three parts:

(1) Panel 1 – Village Tree Law - Assistant Village Manager Ingrid Richards, Village Trustee and League Trustee Liaison Deb Pekarak, and Village Planner Liz Marrinan led a discussion of proposed changes to the Village Tree Law by providing an overview of the proposed changes and responding to many questions from our audience.

(2) Panel 2 – Freightway Site development - Former Mayor Jon Mark and Village Planner Liz Marrinan provided an overview of the research and study process currently underway regarding potential uses for the Village-owned Freightway site. They highlighted numerous opportunities for residents to get informed and involved in this project and to let their voices be heard.

(3) Panel 3 – Village Center Updates - Village Trustee Jane Veron provided an update of work being done regarding the revitalization of the Scarsdale Village center. She discussed current efforts underway to enhance communication amongst landlords and the Village and to improve parking. The Village is conducting a pilot program to test different types of parking meters. Check out the different types of meters while you are in the Village and then respond to the Village survey on their website.

Residents are encouraged to get informed and involved in each of these topics. Please go to the Village website at www.scarsdale.com for more information and to sign up for Village eblasts.
**Fall Food For Thought Luncheon**

On Friday, November 3rd, the League hosted its annual Fall Food for Thought Luncheon. More than 55 people gathered at the Scarsdale Golf Club for a delicious buffet luncheon and an opportunity to learn more about the country of Iran. Our guest speaker, Susanne Pari, an Iranian journalist and author, provided an overview of life in Iran and then answered questions from the audience on topics that ranged from international trade and politics, women’s rights and education and even Iranian tourism.

A special thank you to Cindy Dunne, our program chair, and Anne Lyons, our Luncheon Coordinator for all of the hard work they did to make this event a success!

If you would like to see this informative discussion, please visit our website at [www.lwvs.org](http://www.lwvs.org). We hope to have the video posted soon!
Students Inside Albany Conference

For the seventh consecutive year, the LWVS will select two high school students to send to the annual Students Inside Albany conference, to be held May 20-23, 2018. All Sophomore, Junior and Senior students who attend Scarsdale High School or who reside in the school district are eligible to apply.

Students Inside Albany is an intensive four-day conference designed to immerse students in the process by which public policy is proposed, revised and enacted in New York State and to educate them as to how they can influence and affect this process. Scarsdale students who attended this conference in the past were unanimous in their enthusiasm about the program, which allowed them to interact with students from all over the state, learn about their state government and meet state legislators.

The cost of the conference, including hotel and meals, will be co-sponsored by the League of Women Voters New York State Education Foundation, Inc. and our Scarsdale League.

Applications will be available after December 15 on the Scarsdale LWV’s website (LWVS.org) and are due by February 2, 2018.

For more information, including photos from last year’s conference, see the League of Women Voters, New York State at http://www.lwvny.org/ and go to the Youth Programs tab.

Last year’s Scarsdale attendees are happy to answer questions from interested students. Contact Katie Bowen or Daniel Karp at SIA@lwvs.org.

Please contact Joan Mazur (715-7729 or joanb苎mazur@gmail.com) or Julie Zhu (723-3019 or julzhu@gmail.com) for more information or if you know someone who would like to apply for this opportunity.
